

K-Love is a very important part of my life, it gives me and my family positive music to listen to and teaches alot about the bible. If you were to take this away from my community alot of people would become lost and my family would not have the positive listening atmosphere that they deserve and need. This is a vital apart of our community, it supports christians and what we believe and that is avery important part of the rights that is country was built on. Please allow K-Love too stay on the air in all the communities it serves.
